

## Board & Batten

Installed vertically as siding, Delta Metals Board & Batten recreates the rustic look and feel of traditional board & batten in steel, the toughest most durable and long lasting siding material possible. Our new profile is available in 29 gauge metal as a siding option for you business or home.

**29**  
Gauge

**3/4"**  
MAXIMUM  
RIB HEIGHT

Consistent  
manufacturing  
for a  
professional look  
across your whole  
building

Concealed  
fastening surface  
for that hidden  
fastener look.

Unique lap groove  
that hides the  
overlap providing  
a smooth, clean  
appearance.
