Schedule at Half Marathon Start:

- 7:00 AM Last bus arrives with runners
- 7:15 AM Bag Bus leaves race start
- 7:20 AM Traffic is stopped completely on both sides of the race start – Pilot car at South Side.
- Volunteers stop traffic on North side of race start
- Runners move to center of the road
- 7:30 AM Race Begins
- Traffic control to hold traffic for 10 minutes
- 7:40 AM Traffic open at Half Marathon Start. Pilot car to run between the two locations

1. Flagger corner of 129/44 closest to Bob Adams Airport

2. Flagger by Half Marathon Start, 129 before Mile marker 12, just before Moonhill Highlands Road.
Sheriff will be stationed on the South Side of the Race Start. You wont be able to miss it – there
will be a row of toilets and volunteers when you arrive.

3. Pilot car driving between the two locations – lets confirm with CC Enterprises where you'll start first. I'm guessing up by the Half Start is typically the plan.
