MANUFACTURED, MOBILE or TRAILER HOME

Under Colorado State Statute the Routt County Treasurer's Office requires property taxes on all manufactured, mobile/ trailer homes before destruction or moving permit is issued.

Destruction of Manufactured Home: Per § 38-29-204(4), C.R.S. If a titled manufactured home is destroyed, dismantled, sold as salvage, or otherwise disposed of, the owner must file a Certificate of Destruction, Certification of Tax and an application to cancel a Certificate of Title with the County Clerk and Recorder. If a titled manufactured home is deemed hazardous by a governmental agency, the land owner can file a Certificate of Destruction along with the 'Evidence of Violation' in order to have the home removed or disposed of.

WHAT YOU NEED TO DO:

1. **Certificate of Destruction** is required (CRS 38-29-204).
2. Notify the Vehicle Licensing Division of the destruction. Verification of titled owner or previous purge ad valorem will be completed.
3. Receive consent and lien release from lien holder or secured party if applicable on **Certificate of Destruction**.
4. Notify the Assessor and Treasurer in the county where the manufactured home is located.
5. County Treasurer/Assessor will issue an authentication form and a transportable manufactured home permit (if applicable). The permit is an orange placard that must be prominently displayed on the rear of the manufactured home during transit. If the move is along state highways, you must also get a moving permit from the Colorado Department of Transportation.
6. Receive verification signatures from the authorized agent verifying the destruction of the manufactured home.
7. Submit the **Certificate of Destruction** and **Certificate of Removal** (if previously affixed) to the Vehicle Licensing Division. Recording fees will be collected at that time.
8. The County Clerk shall forward information to the County Assessor and the Colorado Department of Revenue Title Department. (CRS 38-29-207)

Relocating Existing Titled Manufactured Homes: Per §§ 38-29-203 and 38-39-208, C.R.S. Before a titled manufactured home is moved, the owner must pre-pay the property taxes and notify the county assessor and the County Treasurer of the impending move. Failure to prepay the taxes and notify the Assessor and Treasurer of the impending move may result in a fine of not less than \$100 and not more than \$1,000. The County Treasurer and/or Assessor will issue an Authentication of Paid Ad Valorem Taxes (authentication form) and a transportable manufactured home permit. The transportable manufactured home permit is an orange placard that must be prominently displayed on the rear of the titled manufactured home during transit. The fine for moving a titled manufactured home without either a permit or an authentication form is \$200. If the move is on state highways, an excess size transport permit must also be obtained from the Colorado Department of Transportation. Within 20 days following the move, the owner must provide the Assessor and the Treasurer of the County in which the titled manufactured home is now located with the mailing address of the owner and the physical location of the titled manufactured home.

WHAT YOU NEED TO DO:

1. Notify the Assessor and Treasurer in the county where the manufactured home is located.
2. If the Manufactured Home is permanently affixed a **Certificate of Removal** will be required and a new title will be required. (CRS 38-29-203)
3. County Treasurer/Assessor will issue an authentication form and a transportable manufactured home permit. The permit is an orange placard that must be prominently displayed on the rear of the manufactured home during transit. If the move is along state highways, you must also get a moving permit from the Colorado Department of Transportation.
4. If a person has titled a manufactured home properly in the county where it is located and then moves the manufactured home to another location or county, there is no need for a title change as long as the owner remains the same. Nothing is required by the Clerk & Recorder's office.
5. The owner shall file a notice of any change of location within the county with the County Assessor and the County Treasurer or change of location from one county to another county within 20 days after such change of location occurs. If such notice is not filed a penalty of fifty dollars (\$50.00) shall be assessed and collected at the time of the appropriate county treasurer's discovery of the change of location.
