## Environmental Health Review (Reviewed By: Christopher Peters)

**Comments:** OWTS preliminary soils classification is required prior to approval of this building permit. OWTS permit # PRSP240209 was conditionally approved April 3, 2024 with the understanding that the soils classification would commence when the site conditions allowed. Snow is no longer an impediment to conducting this work. [Christopher Peters @ 07/22/2024 8:48 AM]
