Dear Applicant,

The Permit listed above has or will expire on 02 Feb 2025. We respectfully request you contact us by phone or email so we can assist you in bringing your property back into compliance.

**Section R105.5 Expiration**, is amended to read as follows: All environment health permits shall automatically expire one year from the date of issuance and no further work on the project for which the permit was issued shall be done unless a renewal permit is requested in writing and approved prior to the expiration date of the original permit.
