Please apply for OWTS permit through RCDEH by doing the following;

\*Application, application fee \$1000.00 as well as OWTS engineered design & Site Plan

\*Please visit the Routt County website / Environmental Health / Apply for a septic permit /

\*Please call Environmental Health when application is completed, that is how we make the fee payable. Be sure to scroll all the way down to bottom of page for payment.

\*Upload engineered design and site plan to Documents and images on your application; this is located in the column on the right

<https://cityview2.iharriscomputer.com/RouttCountyPortal>

When paying folks must log into their City View account. They need to look for Environmental Health permits this is different from my permits. Once they find this they will click on their permit and move fees to cart and follow prompts for payment
