

Certificate of Inspection

Report Date: November 30, 2015

Date of Inspection: November 11, 2015

Certificate No: CT151111

Client: J Bonn Wood Products

Address: PO Box 1118 Clark, CO 80428

Material Inspected At: 1605 Shield Dr, Steamboat Springs, CO 80487

Material Inspected: Dimension & Timbers

Moisture Content: DRY

References: Letter of Request dated: 10/26/2015

Specifications/Rules: 2011 WWP Western Lumber Grading Rules

TP Brands/Identification on Accepted Pieces: Hammerbranded "TP30" with silver paint for highlight.

Branded once for a #1 and twice for a #2.

This is to certify that Mr. **Andy Farish**, an employee of Timber Products Inspection Inc., has personally examined and inspected each piece of material covered by this Certificate of Inspection, and that the material conforms to the specifications as stated above, within the established limits of error for visual grading of lumber, being in good order and condition at time of inspection. TP does not assume responsibility for the protection of the material after inspection, nor does this certificate cover those characteristics which may develop, or change, with time and/or exposure to the elements.

Note: This is a certificate of grade and manufacture only. It is not a certificate of treatment.

See Page 2 for Tally of Material Accepted.
