

PROPOSED
DOOR ADDITION

EXISTING PLUMBING

A hand-drawn floor plan of a two-story building. The plan is rectangular with a central square area marked with an 'X', likely representing a courtyard or a central staircase. The building is divided into several rooms. On the left side, there are two rooms, each containing a toilet. On the right side, there are also two rooms, each containing a toilet. In the bottom left corner, there is a room labeled 'D' and a circular area with a small structure inside. In the bottom right corner, there is a room labeled 'W' and a circular area with a small structure inside. Dashed lines indicate curved paths or boundaries within the rooms. The drawing is on a grid background.
