Mr. Carrol Moran
Lonesome Bear Ranch
Hayden, Colorado

Subject: Inspection of proper installation of structural bolts in red iron barn building.

Dear Mr. Moran,

The purpose of this letter is to certify that, by means of random inspection of the installation torque of the structural bolts in the subject building that our opinion is that all of said bolting was properly and adequately tightened during the course of the erection of said building.

We look forward to the opportunity to continue to be of professional service to you as your construction projects on the ranch progress.

Sincerely,
Bear Valley Design, Ltd.

Gregory H. Hermann
