Notice of Incomplete Application

RE: Application Number PRSL220302

Dear Applicant,

A permit application has been received by this office on March 30, 2022. The following required items are outstanding:

- Site Plan - Please only resubmit only the Site Plan from the original drawings as a PDF, under the Site Plan Submittal Requirement.
- Point of Interconnection - Please provide us the electrical drawings for the Point of Connection as a PDF and resubmit under the category Point of Interconnection Submittal Requirement.
- Electrical Load Calculation - Please provide us the electrical drawings for the Electrical Load Calcs as a PDF and resubmit under the category Electrical Load Calculations Submittal Requirement.
- Other / Miscellaneous - No additional comments

Please upload the required items or documents we are requesting above to the CityView Portal under your permit number. At this time we cannot start the Plan Review process of your application because it's deemed incomplete, once we receive the required submittal items we will then begin the Plan Review process. Permit applications become void after 180-days if left incomplete. We appreciate your time in advance on uploading these required items.

Should you require further information, please do not hesitate to contact me.

Yours truly,

Nick Neiberger
