Property Address: 34130 WHIFFLE TREE TRL, ROUTT, CO 80467

April 25, 2022

Dear Applicant,

A permit application has been received by this office on April 25, 2022. The following required items are outstanding:

- Structural Plans - Please submit only the structural drawings (foundation, framing, details) under this category.
- Heat Load Calculations - No additional comments
- Civil Plans - No additional comments
- Landscape plan - No additional comments
- Utility Plan - No additional comments
- Architectural Plans - Please submit only the architectural drawings (floor plans, elevations, building sections) under this category.
- Other / Miscellaneous - The Total Project Valuation and the Value of work to Permitted are quite low. Please review the document titled "Total Project Valuation Vs Value of Work to be Permitted" that is now attached to your permit. Please email us with your updated valuations. Please note that even if you are doing all of the work yourself, you still must include labor costs; standard practice for this is to make the labor cost equal to the materials costs.

Please upload the required items or documents requested above to the CityView Portal under your permit number. Once we receive the required submittal items we will then begin the Plan Review process. Permit applications become void after 180-days if left incomplete.

Should you require further information, please do not hesitate to contact me.

Thank you,
