**Comments:**

- ☐ Will need to submit a signed Foundation Only Permit Policy Form.
- ☐ Structural foundation engineering plans submitted are marked "Progress prints not for construction. RCRBD requires plans that are for construction.
- ☐ Submit non-structural plans for construction of basement with details of code compliance to RCRBD for review. At a minimum this needs to show items from Foundation Only Permit Policy Form.
- ☐ A detached garage shown on the plot plan does not appear in this permit application or valuation. Will this be added this be submitted under separate permit?
