Legal Description of Property		Description of Work The City of Steamboat Springs Parks & Recreation Department will be hosting a Town Challenge MTB Race Series event at the Oak Creek Mountain Park on Wednesday, July 13, 2022. While most of the racing will take place on the single track trails within the park, we are requesting use of several county roads/facilities to help with the event. Per the attached site plans, we would like to utilize the county shop located on CR27 for staff and volunteer parking. We also plan on using 49Z for racer staging/check in and our start/finish line. We have secured an event permit from the Town of Oak Creek for the event and will be working with local law enforcement to manage pedestrian and vehicular traffic along CR27.
