Hello Todd

Mike Charchalis asked me to send over an email requesting the following:

Four Rivers Construction dba Charchalis Construction and Insulation has an open permit, number B-20-1145 with Routt County. The owners decided sometime ago to go in a different direction and therefore we are not performing the construction work on this permit. Please remove our name from permit number B-20-1145. We informed the owners that they needed to pull their own permit for work related to this permit number or any other work being performed on the Barndominium building located at 38057 CR 53, Hayden, CO.

We would like permit number PRAB22721 for the new riding arena to remain active.

If you have any questions or concerns please give me a call.

Thank you for your consideration in this matter.

To: Corrie Scott <corrie@charchalisconstruction.com>, Tammy K Green <tkgreen@co.routt.co.us>

Thanks Corrie,

Tammy, please see below and make the applicable changes in the permit software, then take the steps necessary to revoke the permit until you have time to work with the owners and send out information in the mail on what steps are required by the owners to become an applicant, or name a new contractor for the project.

Thanks Tammy,

Todd Carr
