Re: PL20240001, Special Use Permit, Temp work force housing

We reviewed the application for completeness on January 10, 2024. The following is not a thorough review, but a list of the deficiencies we noted by which we deemed the application incomplete.

Missing Submittal Requirements:

- Property Owner Statement of Approval – Please sign and upload the submittal checklist that was provided to you.
- The application fee is now payable. Please pay this through the portal at your earliest convenience.

The applications shall only be considered complete when all of the above information is submitted. The review of the application will not begin until the application is considered complete.

Sincerely,

Alan Goldich, Senior Planner
