**Re:** PL20240017, Subdivision, EHLE Consolidation

We reviewed the application for completeness on March 12, 2024. The following is not a thorough review, but a list of the deficiencies we noted by which we deemed the application incomplete.

**Missing Submittal Requirements:**

- Written Narrative – The narrative does not mention vacation of the utility easements. Please revise to include
- Legal Description of Easement to be vacated
- Utility Company Sign Off

The applications shall only be considered complete when all of the above information is submitted. The review of the application will not begin until the application is considered complete.

Sincerely,

Alan Goldich, Senior Planner
