Dear ATMOS ENERGY,

We are requesting approval to vacate the utility easements ☒ described below ☐ shown in an attached exhibit.

Common lot lines between Lots 1-4, Steamboat Lake Filing 1.

We believe the easement(s) do(es) not contain any utilities and serve(s) no useful purpose. We believe that the utility needs of the property can be met by use of the remaining utility easements and any new easements, if any, proposed to be dedicated by this project.

Please review the above and acknowledge your approval by signing below.

Sincerely,
