RE: Final Decision Notification for Special Use Permit to Peabody Foidel Creek (Twentymile)
Mine Renewal, (PL20240049)

Dear Applicant,

On November 05, 2024, the Board of County Commissioners voted to **Approve** application number PL20240049. The notice sign must be returned prior to the permit being issued. The following conditions must be complied with on annual basis:

- Permittee shall conduct an annual inventory of weeds on site each spring including but not limited to species identification and map locations. Inventory shall be submitted to Routt County Weed Program (RCWP) supervisor within 30 days of conducting the survey.
- Operator shall submit Division of Minerals and Geology Annual Report for the pit to the Planning Department.
- Permittee shall submit an annual report prior to December 31 of each year to document all weed control measures undertaken, including herbicides used, rates of application, and total gallons of mixed herbicide solution applied. Permittee shall conduct an annual inventory of weeds on site each spring including but not limited to species identification and map locations. Inventory shall be submitted to Routt County Weed Program (RCWP) supervisor within 30 days of conducting the survey.

The permit, which lists all of the conditions of approval, is attached for your review. If you have any questions or concerns regarding fulfillment of the conditions, please do not hesitate to contact me at (970) 879-2704 or via email at agoldich@co.routt.co.us.

Sincerely,

Alan Goldich, Senior Planner
Routt County Planning Department
