

## APPENDIX C. TYPE OF EQUIPMENT AND VEHICLES

Stagecoach Mountain Ranch

### Type of Equipment and Vehicles

SMR will utilize the following types of equipment in an effort to manage and maintain operations that include a ski mountain, golf course, recreation facilities, fitness, food and beverage services, and home and infrastructure management. Various types of equipment will be utilized and will range from passenger vehicles to snow grooming equipment, snowplows to specialized lawn equipment for the golf course. SMR will use best practices to ensure safety and consolidation of vehicles and equipment whenever possible.
