Re: PL20250013, Subdivision, Ski View Estates Lot 2

We reviewed the application for completeness on February 05, 2025. The following is not a thorough review, but a list of the deficiencies we noted by which we deemed the application incomplete.

Missing Submittal Requirements:

- Utility Company Sign Offs – the Fraysher Ln easement is also a utility easement, and consent from all utilities is required prior to its vacation.

The applications shall only be considered complete when all of the above information is submitted. The review of the application will not begin until the application is considered complete.

Sincerely,

Michael Fitz, Planner II
