Dear Mr. and Mrs. Whittingham:

The Routt County Board of Adjustment met on August 20, 1984 to discuss your request for setback variance of 15 feet from lot line instead of 50 feet. This request is for Lot 8, Moonhill Meadows, in order to build a garage storage barn.

The Board voted unanimously to approve your request.

If you have any further questions, please feel free to contact our office.

Thank you.

Sincerely,

*Charlene Stees*
