Subject: Snake River Outfitters at Nottingham Pilot Camp - Development Sign location verify
Importance: High

Hey guys,

I'm Michael Eggert with Routt County Planning. I'll be your contact for this hunting camp application with the county.

I saw the development sign was picked up on the 31st. Please send a picture of the sign in place and a description of its location.

I will be in touch if I have further questions during the review. Who is my main contact for questions on the application?

We'll be going in front of the planning commission for a public hearing at some point, they are the decision-makers.

Talk soon,

Michael
