Dear Planning Department,

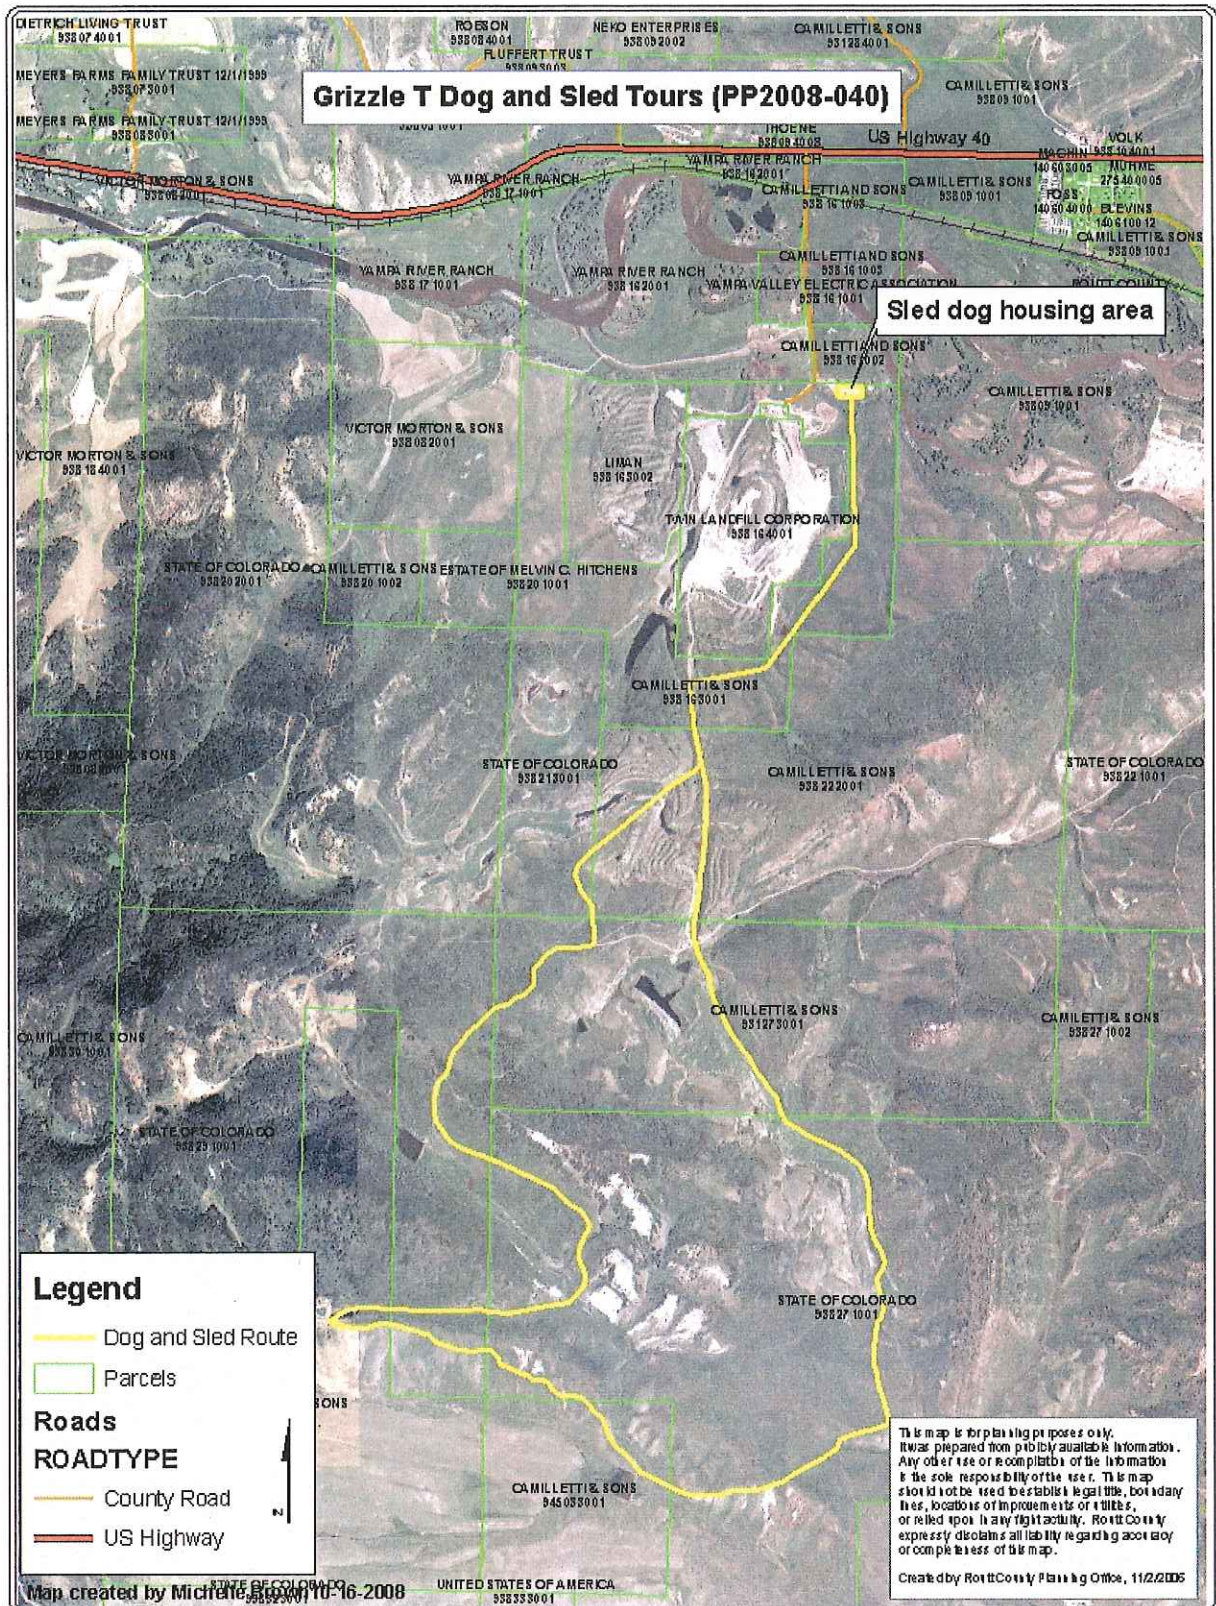

I am writing this letter to request a renewal of Special Use Permit #PP2008-040. This permit is for the running of commercial dog sled tours and housing of sled dogs. All operations will continue to remain the same and no adjustment to the Conditions of Approval need to be made. I would request that we could to this renewal administratively, as this permit has been in good standing with no complaints since 1998. Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kris Hoffman', followed by a long horizontal line extending to the right.
