Hello Ms. Blake,

If you would be so kind to forward this over to the Routt County Planning Department that would be most appreciated.

We have been working with Nick and his wife Alicia and Lucky 8 Ranch for the last 2 years. They have provided a wonderful guest experience both during summer and winter months. Our guests comment on how the experience with the Bison is so unique, fun and interesting. They have given the experience a double thumbs up each and every time. We sincerely recommend granting them the permit renewal so they can continue to provide this wonderful and unique Routt County experience. It really showcases the beauty, heritage and history of the North American Bison and how it played such a interesting part in Routt County's history.

All the best,

Matthew Keyser
