SPECIAL USE PERMIT

Project Name: Hahn's Peak Roadhouse Snowmobile Tours and Rentals

Permit Number: PP2015-019

Permittee: Hahn's Peak Roadhouse, Carroll and Darren Zamzow

Address: 60880 County Road 129

Property Owner: Carroll and Darren Zamzow

Legal Description: A tract of land in Sections 28 and 29, T10N, R85W, approximately ½ mile south of the Town of Hahn's Peak on CR129.

Expiration Date: 5 years until July 1, 2020

Conditions of Approval:

General Conditions

1. The Special Use Permit (SUP) is contingent upon compliance with the applicable provisions of the Routt County Zoning Regulations including but not limited to Sections 4, 5, and 6.
2. The SUP is limited to uses and facilities presented in the approved project plan. Any additional uses or facilities must be applied for in a new or amended application.
3. Any complaints or concerns which may arise from this operation may be cause for review of the SUP, at any time, and amendment or addition of conditions, or revocation of the permit if necessary.
4. In the event that Routt County commences an action to enforce or interpret this SUP, the substantially prevailing party shall be entitled to recover its costs in such action including, without limitation, attorney fees.
5. No junk, trash, or inoperative vehicles shall be stored on the property.

6. This approval is contingent upon any required federal, state, and local permits being obtained and complied with; the operation shall comply with all federal, state, and local laws. Copies of permits or letters of approval shall be submitted to the Routt County Planning Department prior to operations.
7. Fuel, flammable materials, or hazardous materials shall be kept in a safe area and shall be stored in accordance with state and local environmental requirements.
8. All exterior lighting shall be downcast and opaquely shielded.
9. Prior to the issuance of the permit, the permittee shall provide evidence of liability insurance in the amount of no less than \$1,000,000 per occurrence. Routt County shall be named as an additional insured on the policy. Certificate of liability insurance shall include all permit numbers associated with the activity.
10. Accessory structures/uses associated with this permit may be administratively approved by the Planning Director, without notice.
11. The permits/approval shall not be issued until all fees have been paid in full. Failure to pay fees may result in revocation of this permit. Permits/Approvals that require an ongoing review will be assessed an Annual Fee. Additional fees for mitigation monitoring will be charged on an hourly basis for staff time required to review and/or implement conditions of approval.
12. Transfer of this SUP may occur only after a statement has been filed with the Planning Director by the transferee guaranteeing that they will comply with the terms and conditions of the permit. If transferee is not the landowner of the permitted area, transferee shall submit written consent to the transfer by the landowner. Failure to receive approval for the transfer shall constitute sufficient cause for revocation of the permit if the subject property is transferred. Bonds, insurance certificates, or other security required in the permit shall also be filed with the Planning Director by the transferee to assure the work will be completed as specified. Any proposal to change the terms and conditions of a permit shall require a new permit.
13. The permittee shall prevent the spread of weeds to surrounding lands and comply with the Colorado Noxious Weeds Act as amended in 2013 and Routt County Noxious Weed Management Plan. A weed mitigation plan shall be developed by the permittee and reviewed and approved by the Weed Supervisor prior to issuance of the Special Use Permit.

Specific Conditions

14. Hahn's Peak Roadhouse shall maintain a lease agreement with all private property owners on whose land they will operate. Copies of such leases shall be submitted to the Routt County Planning Department prior to any operations.
15. All Hahn's Peak Roadhouse guides shall be clearly marked. Hahn's Peak Roadhouse employees on Trail #1 are required to wear jackets or vests clearly identifying them as guides or Hahn's Peak Roadhouse employees. Such jackets or vests shall be a bright, solid color-orange, yellow, or red. A maximum of 20 snowmobiles are allowed under this permit.
16. All guides shall carry current first-aid certification and submit proof thereof to the Planning Department prior to commencement of operation. The permittee shall be responsible for search and rescue of lost clients.
17. The tours shall not be conducted on County Roads, unless otherwise approved under this permit.

18. The machines used for this operation shall be registered with the State of Colorado.
19. All accidents involving personal injury resulting in hospitalization or death or property damage of \$3,000.00 or more shall be immediately reported to the Colorado State Patrol or the Sheriff's Office in the county where the accident occurred and a report shall be submitted to the Denver and Steamboat Lake Office of the Colorado State Parks on the approved form and the Routt County Planning Department within 48 hours of the accident, according to state law. All search and rescue operations shall be reported to the Routt County Planning Department within 48 hours of the incident.
20. Approval of this permit constitutes permission by the property owners and operators for Colorado Parks and Wildlife and the Routt County Planning Department to conduct periodic site reviews to evaluate wildlife impact from the snowmobile operation.
21. Toilet facilities shall be made available to clients and employees and shall be approved by the Routt County Department of Environmental Health.
22. Any change to the proposed trail system or plan of operation shall be submitted to Planning Staff for evaluation. If staff determines that said changes would not create impacts to the environment, adjacent property owners, wildlife, etc., administrative adjustments to the permit may be made. Should the changes create impacts that cannot be mitigated or require numerous or involved mitigation measures, the Routt County Planning Commission and/or the Board of County Commissioners will review and approve or deny the changes.
23. Neither the issuance of this permit nor any action taken pursuant to this permit shall create a liability on the part of, or be the basis for, a cause of action against Routt County or any officer, employee, or technical advisor thereof. The issuance of this permit does not imply that the land uses permitted will be free from danger as a result of natural hazards, human error, or mechanical problems.
24. Hahn's Peak Roadhouse shall be responsible for maintaining trails in a safe and acceptable condition, including erosion control and prompt revegetation of any affected areas.
25. This approval supersedes all previous approvals for snowmobiles, staging areas, and trail permits.
26. TERM OF PERMIT AND RENEAL
 - a. This permit is valid until July 1, 2020. A review by Planning staff shall be conducted prior to renewal, and if no concerns are identified or if concerns/complaints can be mitigated, the permit may be administratively renewed every two years. The applicant must apply in writing for this renewal prior to the expiration of the permit or it will be required to return to Planning Commission for review.

27. USES

- a. This permit is for guided snowmobile operations for Hahn's Peak Roadhouse guests on Trail #1, #2, the section of Trail #3 north of Parkside Drive, Steamboat Lake State Park, and the areas of the national forest identified on the attached map. Guests and business invitees using Trail #1 must be guided both in and out, which include privately owned snowmobiles.
- b. Tours and rentals conducted by Hahn's Peak Roadhouse shall not use Trail #3 south of Parkside Drive. All tours and rentals shall use Trail #2 and the section of Trail #3 north of Parkside Drive. The commercial use of Trail #3 south of Parkside Drive is

allowed for temporary special circumstances only, with administrative approval, without public notice.

- c. Machines must stay on the trail at all times when surrounded by private property and travel at a speed not to exceed 15 miles per hour when traveling through the private easement.
- d. The number of machines per trip departing at one time shall not exceed 22, provided that a ratio of 10 (or fewer) riders per guide is maintained.
- e. Hahn's Peak Roadhouse is permitted to rent no more than 20 snowmobiles to guests of Hahn's Peak Roadhouse.
- f. For areas of the National Forest, only routes authorized by the US Forest Service are able to be utilized during operations.

28. OPERATING DATES AND TIMES

- a. Tours may be conducted seven (7) days per week.
- b. Guided snowmobile operations on Trail #1 shall be allowed between December 1st and April 15th unless sufficient snow exists to begin operations prior to December 1st. Operations of Trails #2 and #3 shall be allowed between December 1st and March 31st. Under no circumstances shall any machine operate on Trail #1 after April 15th, subject to change with CPW recommendation. The permittee must inform the Planning Director and the adjacent landowners prior to weather-based changes to the schedule of operation.
- c. All guided snowmobile operations for Hahn's Peak Roadhouse lodging guests on Trail #1 shall be conducted between 8:00 a.m. and 7:30 p.m. All guided snowmobile operations for Hahn's Peak Roadhouse lodging guests on Trail #2 shall be conducted between 9:00 a.m. and 5:00 p.m. Late arrivals through Trail #1 after 7:30 p.m. due to emergencies or unforeseen circumstances are not considered violations of this condition. Any such emergencies shall be reported to the Routt County Planning Department. Unforeseen circumstances shall be defined as the retrieval of disabled machines which may delay the return of Hahn's Peak Roadhouse personnel and/or lodging guests engaged in retrieval efforts.
- d. All guided snowmobile tours shall consist of groups of no more than 10 guest machines per guide and shall leave Hahn's Peak Roadhouse on tours at 8:00, 9:00, 10:00, 11:30, 12:00, 1:00, 2:00, 3:00, and 4:30 for a total of no more than nine departures per day. Hahn's Peak Roadhouse personnel shall be permitted to depart from Hahn's Peak Roadhouse as needed between normal operating times of 8:00 a.m. and 7:30 p.m. for the purpose of trail maintenance, retrieval of disabled machines, or aiding departed tours that require assistance such as transporting guests back to the Hahn's Peak Roadhouse due to disabled machines.

29. ENFORCEMENT AND MONITORING

- a. A Hahn's Peak Roadhouse staff member shall patrol the parking lot/Larkspur Lane area during the hours of operation for the purpose of controlling the number of uninvited guests (trespassers) on Trail #1.
- b. Hahn's Peak Roadhouse shall monitor and record the usage of Trail #1 and submit a report of the total number of users to Planning Staff at the end of the season.

- c. Hahn's Peak Roadhouse is required to place and maintain signage every 200 yards along Trail #1 (the private easement) stating that it is a private trail, not for public use; riders must stay on the trail; and that the speed limit is 15 mph. Signage shall be placed facing both directions at the north and south end of Trail #1. Additional signage shall be placed at the north end of Trail #1 that directs the public to use the Quealy Trail to access gas and supplies at Hahn's Peak Roadhouse. All signage shall remain in place throughout the year.

30. SIGNAGE

- a. The permittee shall install one sign on CR 129 on the north side of the Quealy Trail crossing and one sign on CR 129 to the south of the Park Side Subdivision easement (Trail #3) crossing facing the direction of roadway travel, or as determined by the Road and Bridge Department.
- b. All signs used for this operation shall comply with the Sign Code outlined in Section 8.1 of the Routt County Zoning Regulations. No off-premises signs or billboards are permitted.
- c. Permittee shall install snowmobile crossing signage in accordance with the MUTCD at the crossing on CR 62. This shall be at the permittees expense. Permittee shall order signs and pay for signs from the Road and Bridge Department prior to installation.

31. LODGING GUESTS/RIDER RESPONSIBILITY

- a. The permittee shall provide the user with a safety lesson, a riding helmet, and a trail map illustrating trails and private property to address and avert trespass issues.
- b. Hahn's Peak Roadhouse shall educate clients on multi-use trails in the area, speed limits, noise disturbance to local residents, and respect for non-motorized use areas.
- c. If riders encounter wildlife on the trail, they will stop their machines until the wildlife moves on and riders will not leave their machines to pursue wildlife on foot.
- d. Prior to commencement of operation, the permittee shall submit to Planning staff for approval a Customer Education Plan that includes information regarding the consequences of leaving the right-of-way, as well as guidelines for "leave no trace" recreation in the backcountry.
- e. Prior to beginning their tour, all unguided tour clients shall be required to sign a form stating that they have been informed of the conditions of this permit and that they agree to abide by them. This form shall be reviewed and approved by Planning staff.

32. ACCESS/ROADS/PARKING/TRAFFIC

- a. No parking related to this operation shall be permitted on any public roadway or along Larkspur Lane. NO PARKING signs shall be posted on Larkspur Lane.
- b. Parking for snowmobile tours and rentals shall be limited to areas identified as such on the PUD plan.
- c. Routt County has the authority to close any county road at its sole discretion if damage to the road may occur by its use. To the extent that a road closure may affect permittee's operation, Routt County will cooperate with permittee to allow operations to be continued in a safe and practicable stopping point.

d. Routt County roads shall not be completely blocked at any time. If traffic regulation is deemed necessary, it shall be conducted in conformance with the Manual on Uniform Traffic Control at the permittee's expense and the permittee shall notify the Routt County Road and Bridge Director, or designee thereof, in advance to review and approve the proposed traffic control plan:

1. The permittee shall provide traffic control signage along routes and at intersections as specified by the Routt County Road and Bridge Director and at permittee's expense; and types and placement of signs shall be in accordance with the Manual on Uniform Traffic Control Devices.

e. Routt County roads affected by this SUP will be inspected by the Routt County Road and Bridge Department at intervals determined by the same. Any road damage repair or maintenance needs above and beyond typical maintenance, attributable to this use, shall be made by the county or a third-party contractor as selected by the Routt County Road and Bridge Department and on a schedule determined by the same. Permittee shall solely bear the costs of repairs.

f. Routt County Road and Bridge Plowing Operations will commence as usual. It will be the permittee's responsibility to maintain their trails if snow from plowing operations impacts trails. This includes but no limited to trails in the county right-of-way as well as trail and roadway crossings.

g. Permittee's onsite snow plowing operations shall be confined to permittee's property. No snow shall be stored off-site and snow shall not be plowed across the county right-of-way. Plowing across the right-of-way is punishable by law.

PART II - TEMPORARY SPECIAL USE PERMIT FOR OUTFITTING AND GUIDING
Authority: Federal Lands Recreation Enhancement Act, 16 U.S.C. 6802(h)
(Ref. FSH 2709.11, section 41.53 and 37.21b)

HAHNS PEAK ROADHOUSE, LLC of Darren & Carroll Zamzow 60880 CR 129 CLARK CO 80428 (the holder) is hereby authorized to use, subject to the terms of this permit, National Forest System lands described as: Sec. 17, T. 10 N., R. 85 W., 6TH PRINCIPAL MERIDIAN, Sec. 22, T. 10 N., R. 85 W., 6TH PRINCIPAL MERIDIAN as shown in attached Exhibit(s). This authorization covers approximately 1 acre and/or 0 miles.

This temporary use permit is issued for the purpose of authorizing the following outfitting and guiding activities on National Forest System lands:

200 temporary service days for guided snowmobiles trips restricted to routes as shown in Appendix C - Map.

Grooming of established routes installed by the Steamboat Lake Snow Club is only authorized with coordination and approval of the club. Grooming must meet the following regulations:

- 1) Confine trail grooming to designated routes.
- 2) Do not begin trail grooming until eighteen inches (18") of snow has accumulated.
- 3) Cease trail grooming by May first (1st) each year.

The following mitigation is recommended to the permit holder: Grooming of designated routes should occur during daylight hours, as much as possible, and conclude by 7:30pm.

The following appendices are attached to and made a part of this permit:

APPENDIX A - Operating Plan

APPENDIX B - Trip Itinerary

APPENDIX C - Map of the Authorized Area

APPENDIX D - Site-Specific Conditions

I. GENERAL TERMS AND CONDITIONS

A. AUTHORITY. This permit is issued pursuant to Federal Lands Recreation Enhancement Act, 16 U.S.C. 6802(h), and 36 CFR Part 251, Subpart B, as amended, and is subject to their provisions.

B. AUTHORIZED OFFICER. The authorized officer is the Forest Supervisor or a subordinate officer with delegated authority.

C. TERM. This permit shall expire at midnight on 05/31/2020. The term for this temporary permit shall not exceed 180 days.

D. RENEWAL AND EXTENSION. This permit is not renewable. Upon expiration of the permit all use shall return to the temporary use pool.

E. AMENDMENT. This permit may be amended, provided that the total use authorized not exceed 200 service days or the equivalent in quotas and the term of the permit not exceed 180 days.

F. COMPLIANCE WITH LAWS, REGULATIONS, AND OTHER LEGAL REQUIREMENTS. In exercising the privileges granted by this permit, the holder shall comply with all present and future federal laws and regulations and all present and future state, county, and municipal laws, regulations, and other legal requirements that fall under the jurisdiction of other governmental entities.

G. NON-EXCLUSIVE USE. The use and occupancy authorized by this permit are not exclusive. The Forest Service reserves the right of access to the permit area, including a continuing right of physical entry to the permit area for

inspection, monitoring, or any other purpose consistent with any right or obligation of the United States under any law or regulation. The Forest Service reserves the right to allow others to use the permit area in any way that is not inconsistent with the holder's rights and privileges under this permit, after consultation with all parties involved. Except for any restrictions that the holder and the authorized officer agree are necessary to protect the installation and operation of authorized temporary improvements, the lands and waters covered by this permit shall remain open to the public for all lawful purposes.

H. ASSIGNABILITY. This permit is not assignable or transferable.

II. OPERATIONS

A. OPERATING PLAN. The operating plan submitted in the application corresponding to this permit is incorporated as the operating plan for this permit and is attached as Appendix A. You would be required to notify the Forest Service in writing of any staff changes during your operating season.

B. TRIP ITINERARY. The trip itinerary submitted in the application corresponding to this permit is incorporated as the trip itinerary for this permit and is attached as Appendix B.

C. REQUIRED LICENSES. The holder shall obtain all licenses required for conducting the activities authorized by this permit.

D. CONDITION OF OPERATIONS. The holder shall maintain the permit area to standards of repair, orderliness, neatness, sanitation, and safety acceptable to the authorized officer and consistent with other provisions of this permit.

E. PROHIBITION ON USE OF MECHANIZED TRANSPORT OR MOTORIZED EQUIPMENT IN WILDERNESS AREAS. The holder shall not use mechanized transport or motorized equipment in wilderness areas and shall not use mechanized transport or motorized equipment in proposed or potential wilderness areas without prior written approval from the authorized officer.

F. PROHIBITION ON IMPEDING OR INTERFERING WITH OTHER USES. The holder shall perform the activities authorized by this permit so as not to impede or interfere with administrative or other authorized uses of National Forest System lands.

G. RESTRICTION OF MOTOR VEHICLE USE. The holder shall restrict motor vehicle use to designated roads, trails, and areas, unless specifically provided otherwise in the operating plan.

H. RESOURCE PROTECTION. The holder shall conduct all activities so as to prevent or minimize scarring, erosion, littering, and pollution of National Forest System lands, water pollution, and damage to watersheds. In addition, the holder shall take precautions at all times to prevent wildfire.

I. PERFORMANCE OF SUPPORT SERVICES. As a general rule, the holder shall conduct the day-to-day activities authorized by this permit. Activities that support the use authorized by this permit, such as food or shuttle services, may be conducted by a party other than the holder, but only with prior written approval from the authorized officer. The holder shall continue to be responsible for compliance with all the terms of this permit.

J. NONDISCRIMINATION

1. The holder and its employees shall not discriminate against any person on the basis of race, color, sex (in educational activities), national origin, age, or disability or by curtailing or refusing to furnish accommodations, facilities, services, or use privileges offered to the public generally. In addition, the holder and its employees shall comply with the provisions of Title VI of the Civil Rights Act of 1964 as amended, Section 504 of the Rehabilitation Act of 1973, as amended, Title IX of the Education Amendments Act of 1972, as amended, and the Age Discrimination Act of 1975, as amended.

2. The holder shall include and require compliance with the above nondiscrimination provisions in any third-party agreement made with respect to the operations authorized under this permit.

3. The Forest Service shall furnish signs setting forth this policy of nondiscrimination. These signs shall be conspicuously displayed at the public entrance to the premises and at other exterior or interior locations, as directed by the Forest Service.

4. The Forest Service shall have the right to enforce the foregoing nondiscrimination provisions by suit for specific performance or by any other available remedy under the laws of the United States or the State in which the violation

occurs.

K. EQUAL ACCESS TO FEDERAL PROGRAMS. In addition to the above nondiscrimination policy, the holder agrees to ensure that its programs and activities are open to the general public on an equal basis and without regard to any non-merit factor.

L. SANITATION. The operation and maintenance of all sanitation and food service systems and facilities shall comply with applicable standards set by state and local health departments.

M. SIGNS AND TEMPORARY IMPROVEMENTS. Signs posted and temporary improvements installed on National Forest System lands must have prior written approval from the authorized officer.

III. RIGHTS AND LIABILITIES

A. LEGAL EFFECT OF THE PERMIT. This permit, which is revocable and terminable, is not a contract or a lease, but rather a federal license. The benefits and requirements conferred by this authorization are reviewable solely under the procedures set forth in 36 CFR 214, and 5 U.S.C. 704. This permit does not constitute a contract for purposes of the Contract Disputes Act, 41 U.S.C. 601. The permit is not real property, does not convey any interest in real property, and may not be used as collateral for a loan.

B. THIRD-PARTY RIGHTS. This permit is subject to all valid outstanding rights. Valid outstanding rights include those derived from mining and mineral leasing laws of the United States. The United States is not liable to the holder for the exercise of any such right.

C. ABSENCE OF THIRD PARTY BENEFICIARY RIGHTS. The parties to this permit do not intend to confer any rights on any third party as a beneficiary under this permit.

D. DAMAGE TO UNITED STATES PROPERTY. The holder has an affirmative duty to protect from damage the land, property, and other interests of the United States. Damage includes but is not limited to fire suppression costs, damage to government-owned improvements covered by this permit, and all costs and damages associated with or resulting from the release or threatened release of a hazardous material occurring during or as a result of activities of the holder or the holder's heirs, assigns, agents, employees, contractors, or lessees on, or related to, the lands, property, and other interests covered by this permit. For purposes of clauses III.D, III.F, and II.H, "hazardous material" shall mean any hazardous substance, pollutant, contaminant, hazardous waste, oil, and/or petroleum product, as those terms are defined under any federal, state, or local law or regulation.

E. INDEMNIFICATION OF THE UNITED STATES. The holder shall indemnify, defend, and hold harmless the United States for any costs, damages, claims, liabilities, and judgments arising from past, present, and future acts or omissions of the holder in connection with the use and occupancy authorized by this permit. This indemnification and hold harmless provision includes but is not limited to acts and omissions of the holder or the holder's heirs, assigns, agents, employees, contractors, or lessees in connection with the use and occupancy authorized by this permit which result in (1) violations of any laws and regulations which are now or which may in the future become applicable, and including but not limited to those environmental laws listed in clause V.A of this permit; (2) judgments, claims, demands, penalties, or fees assessed against the United States; (3) costs, expenses, and damages incurred by the United States; or (4) the release or threatened release of any solid waste, hazardous waste, hazardous material, pollutant, contaminant, oil in any form, or petroleum product into the environment. The authorized officer may prescribe terms that allow the holder to replace, repair, restore, or otherwise undertake necessary curative actions to mitigate damages in addition to or as an alternative to monetary indemnification.

F. INSURANCE. The holder shall furnish proof of insurance, such as a certificate of insurance, to the authorized officer prior to issuance of this permit and each year thereafter that this permit is in effect. The Forest Service reserves the right to review and approve the insurance policy prior to issuance. The holder shall send an authenticated copy of any insurance policy obtained pursuant to this clause to the authorized officer immediately upon issuance of the policy. Any insurance policies obtained by the holder pursuant to this clause shall name the United States as an additional insured, and the additional insured provision shall provide for insurance coverage for the United States as required under this clause. The policies shall also specify that the insurance company shall give 30 days prior written notice to the authorized officer of cancellation of or any modification to the policies. The certificate of insurance, the authenticated copy of the insurance policy, and written notice of cancellation or modification of insurance policies should be sent to U.S. Government, c/o Forest Service, 925 WEISS DRIVE STEAMBOAT SPRINGS, CO 80487. Minimum amounts of coverage and other insurance requirements are subject to change at the sole discretion of the authorized officer on the anniversary date of this permit.

1. Liability. The holder shall have in force liability insurance covering losses associated with the use and occupancy authorized by this permit arising from personal injury or death and third-party property damage in the minimum amount of \$500,000 as a combined single limit per occurrence.

2. Depending on the holder's operations, the Forest Service may require the holder to demonstrate the availability of funds to address any release or threatened release of hazardous materials that may occur in connection with the holder's use and occupancy. Any requirements imposed would be established on a case-by-case basis by the authorized officer based on the degree of environmental risk from the holder's operations. The use and storage of normal maintenance supplies in nominal amounts generally would not trigger financial assurance requirements.

IV. LAND USE FEE

A. Land Use Fee. All fees must be paid in advance and are not refundable.

1. The land use fee for this permit is \$150 per 50 service days. This permit authorizes 200 service days and the fee is \$600.

2. Additionally, the assigned site fee is NA and

3. The grazing fee is NA.

B. ACCESS TO ACCOUNTING RECORDS. The holder shall make all of the accounting books and supporting records for the business activities authorized by this permit available for audit by the Forest Service or other federal agencies authorized to review Forest Service activities. The holder shall retain these records and make them available for review for five years after the end of the year they were generated, unless disposition is otherwise authorized by the Forest Service in writing.

V. REVOCATION, SUSPENSION, AND TERMINATION

A. REVOCATION AND SUSPENSION. The authorized officer may revoke or suspend this permit in whole or in part:

1. For noncompliance with federal, state, or local laws and regulations;
2. For noncompliance with the terms of this permit;
3. For failure of the holder to exercise the privileges granted by this permit;
4. With the consent of the holder; or
5. At the discretion of the authorized officer, for specific and compelling reasons in the public interest.

B. NOTICE AND OPPORTUNITY TO TAKE CORRECTIVE ACTION. Prior to revocation or suspension under clause V.A, the authorized officer shall give the holder notice of the grounds for the action to be taken and a reasonable period, not to exceed 30 days, to complete corrective action prescribed by the authorized officer. Failure of the holder to take corrective action shall disqualify the holder from eligibility for another permit for three years.

C. IMMEDIATE SUSPENSION. The authorized officer may immediately suspend this permit in whole or in part when necessary to protect public health or safety or the environment. The suspension decision must be in writing. Within 48 hours of the request of the holder, the superior of the authorized officer shall arrange for an on-the-ground review of the adverse conditions with the holder. Following this review, the superior shall take prompt action to affirm, modify, or cancel the suspension.

D. APPEALS AND REMEDIES. Safety and Emergency Plan

1. **What training do you and your staff have? (CPR, first aid, emt)**
We have basic first aid and CPR. And we train summer and winter for emergencies. We will do a preseason rescue course to practice skills in the backcountry.
2. **Type of first aid supplies and emergency equipment and where located:**
We carry one backcountry style first aid kit with each guide. We have a trauma kit, defibrillator, litter, which are stored on-site at the Hahn's Peak Roadhouse.
3. **Client safety briefing points:**
Each client is given a full review of the operation of the snowmobile and required to wear a helmet and winter clothing. Each client is observed by one of the guides during the first mile of the ride to ensure client is understanding guides instructions.
4. **Communication procedures and equipment:**
We have cell phones, two way radios and spot devices. That will be used for the guides to communicate with one another and Hahn's Peak Roadhouse base will be able to track their movements with the spot devices.
5. **Lost and overdue client procedures:**
Lost and overdue clients will be tracked with spot device and located for recovery and rescue.
6. **Emergency evacuation plans:**
We have rescue sleds and a snow cat that can be dispatched for emergency purposes. We will locate the nearest trail head and get the clients to safety ASAP. If necessary and weather permits helicopter rescue will be an option from Routt County Search and Rescue. During spring conditions fan cooled snowmobiles must be used for late night rescues.

7. **Fire prevention considerations & equipment**
With winter conditions we don't become concerned with wild fires. We do carry one fireextstguser with each trip.
