Re: PL20220029, Planned Unit Development, Snow Country Landscaping Conceptual PUD

We reviewed the application for completeness on April 01, 2022. The following is not a thorough review, but a list of the deficiencies we noted by which we deemed the application incomplete.

Missing Submittal Requirements:

- PUD Guide
- Conceptual Drawings

The applications shall only be considered complete when all of the above information is submitted. The review of the application will not begin until the application is considered complete.

Sincerely,

Michael Fitz, Planner Tech
