Re: PL20220043, Special Use Permit, Steamboat Sand and Gravel

We reviewed the application for completeness on May 19, 2022. The following is not a thorough review, but a list of the deficiencies we noted by which we deemed the application incomplete.

Missing Submittal Requirements:

- Proof of Ownership - Deed or Property Record Card
- Statement of Authority
- Mitigation Plan
- Site Plan
- Miscellaneous documents including:
 - Letter from Casey Unga, SSSD
 - Well testing data for wells on neighboring land
 - Monitoring wells report
 - Maps of old and new phase numbers
 - Maps of old and new conveyor layout

The applications shall only be considered complete when all of the above information is submitted. The review of the application will not begin until the application is considered complete.

Sincerely,

Alan Goldich, Senior Planner
Routt County Planning Department
