A. This Trust is to be administered, free of the control and direction of and without accounting to any probate court having jurisdiction over the administration of our estates. Complete and open records and accounts concerning this Trust and its income and expenditures shall be kept and maintained by the successor Trustees after our deaths.

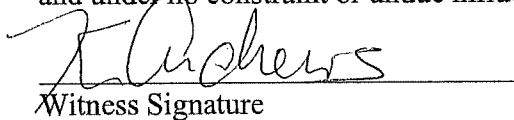

B. Unless we consent, the Trustee shall not provide reports or statements to any beneficiaries other than us while we are alive. After both of our deaths, the successor Trustees shall submit annual statements to the Trust income beneficiaries, showing receipts, disbursements, and distributions of both income and principal. If the Trustee does not receive any objection from any beneficiary within sixty (60) days after submitting a statement or report, the statement or report shall be considered approved by the beneficiaries. Such approval shall be final and binding upon all persons, who are then or may thereafter be interested in, or entitled to share in, either the income or principal of the Trust.

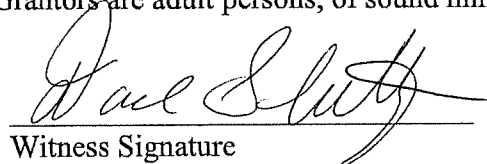

IN WITNESS WHEREOF, this Trust Agreement has been duly executed on the 20th day of April, 2017.
