Dear Century Link,

We, James and Michele Ingwersen, are requesting approval to vacate the utility easements on PARCEL A, LOT 2, BUCKHEAD RANCH, COUNTY OF ROUTT, STATE OF COLORADO and PARCEL B, LOT 3, BUCKHEAD RANCH, COUNTY OF ROUTT, STATE OF COLORADO. We believe the easement does not contain any utilities and serves no useful purpose. We feel that the utility needs of the property can be met by use of the remaining utility easements shown on the final plat. The attachment shows the subject easements requested to be vacated.

Please review the above and acknowledge your approval by executing the appropriate line below.

Sincerely,

James and Michele Ingwersen
